

One of the most valuable impartations I received from my Pastor is Holy Aggression... The **faith** attitude, posture, and response to all of life and ministry that says; This is UNACCEPTABLE!

Beyond a catchy sentence that identifies you as a disciple of Pastor Greg... It's a mindset, it's a spirit, it's an aggressive reaction to the experiences that don't line up with the word of God.

**Ephesians 6:11-12 NIV** Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.

**Q: What is bothering you right now?**

1. What is unacceptable? (*Issues*)
2. Why is that unacceptable? (*Scripture*)
3. What are you going to do about it? (*Action*)

This has to get in you; It has to become your own revelation!

1. Sat in a meeting, where a Pastor said "When I get home, I am going to say "this is unacceptable"
  - a. But it's not a mantra! It is a conviction rooted in the word of God, and it resides in you.
2. It should activate: (a) A spiritual response... (b) A practical response
  - a. It's not enough to just recognize it.
